To Whom it May Concern:

It is with great pleasure that I offer this letter of support on the behalf of Mr. Darrin Raynor. I have known Mr. Raynor for approximately 9 years, during which I've had the privilege of working alongside of him in various capacities, ranging from volunteerism to paid employment.

Mr. Raynor is a forward thinker, motivator and absolute enthusiast. He is a proud member of his community, who on occasion, would provide his voice and leadership to those who struggled to find the right words to seek change. Such qualities are often read about, and rarely witnessed. Luckily, I have been afforded the opportunity to see these qualities on display, resulting in meaningful outcomes for those who benefited from his community heroism.

In 20018, while serving on the board of the Youth Committee, Mr. Raynor took charge of various projects and events that promoted community involvement and investment in our youth-creating and providing a safe designation for the children to attend and learn various social and life skills through sports, education and mentorship. This was indeed a milestone created in our community, that continues to try and live up to its original ideals since it's implementation from Mr. Raynor.

With regards to leadership, Mr. Raynor continues be living resource and guide for children, teenagers and adults alike. He is always available, ready to share his knowledge in promoting necessary change to ensure our children's future and successes. Mr. Raynor is truly a remarkable individual with an enormous heart, and even bigger purpose.

Mr. Raynor has my full unwavering support in any and all future endeavors. I am looking forward to one day witnessing his passion for the youth on a level that would spark a monumental shift in how we invest in our children, who truly represent our future.

If you have any questions, it would be an absolutely honor to make myself available to you on the behalf of Mr. Raynor.

Sincerely,

Jesse L. Hinton, LMSW
